Abington – Due to a surge in sales, Jack Conway, Realtor recently announced the opening of a new model and the release of new units at The Gables in Abington, Mass.

The Conway-Abington sales team has already sold 11 units at The Gables in the first three months of 2010, prompting the developer to release new units ahead of schedule.

“Customers really like what they see at The Gables,” said Conway-Abington manager Robbie Lindo. “It’s a great time to buy with low interest rates and the federal Tax Credit. And we still have a few units left in the high \$200,000 range.”

With 220 luxury condominiums, The Gables is set on 41 naturally-wooded acres off North Quincy Street in Abington. Magnificently landscaped, The Gables offers more than just condominium living, it provides a lifestyle for years to come. The Gables is bounded by Ames Nowell State Park -- 430 acres of park woodlands, and is close in proximity to all amenities, yet nestled away to enjoy the tranquility this community offers.

“With six styles of homes to choose from, there is something for everyone,” said Lindo. “The Gables is a place anyone can call home.”

Prices start at \$278,000, and unit features include whirlpool tub, fireplace, tile flooring and central air conditioning. The Conway sales team is on site at The Gables, Wednesdays from 1-7 p.m., and weekends from 11 a.m. to 4 p.m. For more information call 781-753-6332, or check out www.jackconway.com or www.thegables.net.
